

Re-think Re-Invest

Ways we recycle...

- Recycling chutes on every floor.
- Recycling baskets at coffee bar, lobby entry, and in our office and conference room.
- Reusable coffee mugs/travel mugs given to each resident.
- Wooden stir sticks for coffee.
- Remanufactured ink cartridges used in printer with default setting to dual sided print.

Recycling Locations

Chutes on every floor...

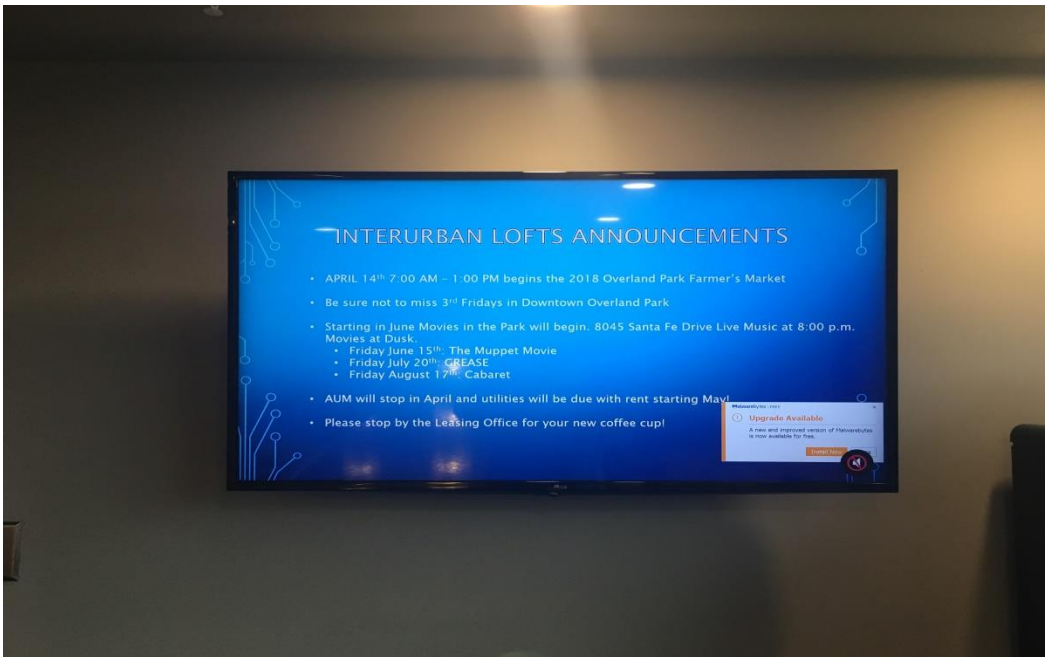

Coffee Bar...

Wooden Stir
Sticks = no more
plastic

Paper Reduction...

- Announcement board to reduce paper printouts.

Printing options...

- Remanufactured ink cartridges
- Either recycled paper or paper from the Sustainable Forest Initiative
- Double sided printing default
- Electronic files and use of Dropbox/Cloud reduces paper consumption.
